Sub: Application requesting a visitor visa for Auckland, New Zealand

Dear Sir/Madam,

I, hereby introduce myself as Varun Kapoor, an Indian citizen bearing passport number _____. I am a travel enthusiast but have not visited internationally to date. Hence, I have planned to break the monotony of my daily routine and experience an international visit to Auckland, New Zealand. I own a consultancy in education and recruitment with the name _____ in India which is a full-time position. After working rigorously, travel fills me with absolute relaxation and doubles my energy to perform at work. Hence, I have considered visiting internationally this time to give myself travel therapy.

I am truly excited about visiting the beautiful beaches such as Red Beach and Omaha Beach Cafe & Eatery. However, I am equally thrilled to visit Thrillzone Auckland Takapuna, Auckland Museum, Dilworth Building, Achilles Point, Sky Tower, and Auckland Zoo. Also, I have planned to take full pleasure in the natural beauty that Auckland possesses as well as I will explore local culture, food, and festivals during my five days' time in Auckland.

Considering my ability to self-fund my trip and having enough to support my expenses in a foreign land, I have pre-planned a one-week trip from __ June 2023 to __ June 2023. By the time I will stay in Auckland, I will reside at _____ Hotel for which the bookings have been already done from __ June 2023 to __ June 2023.

As I am a well-established professional, I earn a decent monthly income of NZD <add> and have NZD _____ in my savings account. I, hereby reiterate that I am capable of meeting my travel as well as stay expenses along with the shopping that I have planned for my entire family.

My parents, close relatives, and friends all belong to India and I share very good relations with my people. Therefore, I am sure that my support system will help me in case of additional expenses I might incur during the time of my travel and I will not face any substantial issues in funding myself.

Considering my return home, I am determined to return to my country because of my parents and other

family members. My parents are old and they need me to support them through thick and thin. Being a responsible son, I am equally devoted to my family members and my current employment that I cannot think about overstaying in a foreign country. I am very much satisfied with my work and I cannot be away from the same as I have many duties and responsibilities as a business owner towards my stakeholders. Therefore, I am only focused towards taking home cherishing memories from my international trip to Auckland and I am sure it will bring positive changes in my personal and professional journey.

I, therefore, request you allow me a tourist visa for New Zealand so I can fulfil my dream of travelling to such a beautiful place on earth. I assure you that I have reviewed all the Immigration Rules and I promise to abide by the same throughout my visit to Auckland. I am also fully vaccinated against the covid-19 and I am sure not to pose any perpetual health risk to the people of New Zealand. I hope my genuine intention convinced you to allow me a valid visa grant. Thank you in advance.

Yours Sincerely,
Varun Kapoor
