Sub: Application to apply for a visitor visa

Dear Sir/Madam,

I am Neha Thakur, an Indian national bearing passport number <add number>. Through this application, I would like to draw your attention to my intent for visiting New Zealand from <add year> to <add year>. The main purpose of my travel is to visit my fiancé, Aditya Shah with whom I entered a formal engagement on <add engagement date> with the permission of our family members. I would like to bring to your notice that our parents have settled our marriage and we had not known each other earlier. We have been talking to each other for the last two years but we wish to know each other more before entering a marriage bond personally. Unfortunately, we couldn't have a chance to meet after our engagement ceremony as my fiancé has entered a new business in New Zealand. His excessively busy schedule and work commitment restrict him to visit India. As we were discussing the opportunity to meet in person, I suggested to him if he cannot visit India, I can come to him and spend quality time seeking due permission of our family members. It will help us come closer without disturbing his work schedule. Our one-month visit will be a memorable time for us and it will set a founding path for our togetherness forever. Also, I am excited about the opportunity to visit some major attractions like the Bay of Islands, Tongariro National Park, Rotorua, Napier in Hawke's Bay, Auckland, and the Coromandel Peninsula with him in some spare time. Roaming around together in the city will surely spark the romance between us and give it life.

For this visit, I have also availed a no-objection certificate from my employer and I will re-join my duties after returning to India. NOC has been enclosed herewith for your kind perusal. I, hereby assure you that I have all the necessary funds to cover my travel and stay costs. However, I assure you that I do not have any family ties in New Zealand and I will be staying with my fiancé at his residence <add address> which will save me expenses on lodging. I have <add figure> New Zealand Dollars to fulfil any additional expenses during my stay. Also, my sound family background assures me to act as backup financial support. We have immovable properties of <add figure> New Zealand Dollars and movable properties of <add figure> New Zealand Dollars that strengthens me to visit abroad. Besides this, I have strong family ties back home which requires me to accompany my parents and look after our assets in India as a responsible daughter. Also, I will have to rush to my home country after one month as I need to prepare for my big day with my

fiancé and in India, we throw lavish wedding ceremonies. For this, I will need time in length to ensure everything goes as per our plans.

Conclusion

I have attached all the necessary documentation to reflect my genuine status as a temporary entrant in New Zealand. Also, my round-trip flight ticket, bank certificate, employment certificate, no objection certificate, health insurance, and detailed travel itinerary back my statement with valid evidence. I, therefore, confidently ask you for a Visitor Visa approval. Thank you in advance.

Sincerely,
Neha Thakur
