Sub: Application to request a visitor visa for Canada
Dear Sir/Madam,

I hereby introduce myself as Monica, and I am writing to express my sincere intent to visit Canada for a duration of two weeks, from March 15th to March 29th, 2022. The purpose of my visit is twofold: to reunite with my aunt, Nina, and to explore the beautiful country I fondly remember from my childhood. Unfortunately, my last visa application was rejected due to the following reasons:

- **The purpose of your visit to Canada is not consistent with a temporary stay given the details you have provided in your application.**

I acknowledge the previous visa rejection in October 2021 when I applied with my grandmother. I am now reapplying for a visit visa without my mother and grandmother. Unfortunately, my grandmother's health has necessitated medical procedures and follow-ups in Iran, and my mother needs to be by her side during this time.

Purpose of Visit

I want to emphasize that my intention to visit Canada is solely rooted in my desire to spend time with my aunt, Nina, and her family, and to explore the rich cultural and natural wonders that Canada has to offer. My mom's cousin, Nina has recently embarked on the journey of motherhood. Mona's wedding in February 2021 and the subsequent birth of her daughter, Samar, mark significant milestones in her life. I am eager to meet Samar, share in the joy of her arrival, and create lasting memories with my extended family. Moreover, I deeply appreciate the cultural significance of family bonds, and this visit holds emotional importance as it allows me to connect with relatives and build on the foundation of familial ties that have been cherished over the years. The opportunity to witness and contribute to the growth of my relatives' family in Canada is a source of immense joy and fulfillment. During my stay in Canada, I have made accommodation arrangements for three days in Montreal, with a confirmed hotel booking. For the remaining time in Toronto, my aunt, Nina, graciously offered to sponsor my accommodation, further solidifying my commitment to a well-organized and comfortable visit. The warmth of familial ties and the assurance of a welcoming environment in Canada are integral to my visit. Nina's generosity in sponsoring my accommodation in Toronto is a testament to the strong bond we share and her commitment to ensuring my stay is both enjoyable and stress-free.

My travel itinerary reflects a blend of family bonding and exploration. I plan to spend five days in Toronto, followed by a three-day excursion to Montreal, and concluding with another five days in Toronto. This allows me to witness the breathtaking Niagara Falls, experience the panoramic view from the CN Tower, explore the Toronto Islands, and visit Casa Loma and the Royal Ontario Museum.

The prospect of reconnecting with the vibrant cultural tapestry of Canada and creating new memories with my family adds a special dimension to my visit. Exploring the diverse landscapes, historical sites, and iconic landmarks will not only enrich my personal experiences but also contribute to my understanding of the country and its people.

Financial ability to fund the trip

I am the proud owner of an e-commerce company named Jewels Online, where I craft and sell customized crystal jewelry. Additionally, I have recently taken on the role of Marketing Specialist at Amir Furnished Home, a new e-commerce store. This dual engagement reflects my passion for creativity and marketing. In addition to my e-commerce venture, I have contributed to Forefront Facilities Management and recently joined Furnish Homes as a Marketing Specialist. My mother has been employed at Dubai International Airport for the past 23 years, holding the position of Service Delivery Manager. Her stable employment ensures the financial backing required for my visit to Canada.

To validate my financial establishment, please find enclosed my online store's bank statement, highlighting the availability of CAD 5700, and my account, where my salary is deposited, totaling CAD 6800. Additionally, my mom, who is graciously sponsoring my trip, has provided her bank statement, reflecting CAD 23000. This ensures I have ample funds for my visit to Canada.

Tiebacks home

Back in the UAE, I live with my mother and maternal grandmother. My mother, who is also my sponsor, has a long-standing career and possesses the financial means to support my trip. Moreover, I am deeply connected to my mothers and my friends. The ties that bind me to the UAE are not solely familial but also professional and community-oriented. My business, Jewels Online, is an extension of my passion for creating customized crystal jewelry. It's not just a source of income but a reflection of my dedication to my craft and my desire to contribute to the artistic landscape of the UAE.

Travel History

My extensive travel history has seen me explore Canada, the USA, the UK, Germany, and several other countries. Notably, I lived in Italy for two years for higher education purposes. Throughout my travels, I have adhered to all immigration rules, returned on time from each journey, and maintained a clean record. The diverse cultures I have encountered, the people I have met, and the experiences I have gained not only broadened my perspective but also instilled in me a deep appreciation for cultural diversity. My travel history is a testament to my responsible and respectful approach to international visits.

Conclusion

I assure you of my commitment to abide by all rules and regulations during my stay and return to the UAE promptly. My visit is driven by a genuine desire to reconnect with family and explore the beauty of Canada, and I am well-prepared to cover all expenses and ensure a memorable, trouble-free visit. Thank you for considering my application, and I look forward to the opportunity to experience Canada once again.

Yours sincerely,
Monica Ibrahim
